25X1

1. [REDACTED] (JSW) Talked with Robert Michaels, House Appropriations Committee staff, giving him copies of the 6 and 20 September Government Employees' Exchange indicating, of course, that they were inaccurate and suggesting that he bring them to the Chairman's attention since one of the articles charges that the accuracy of the 6 September article was conceded, off the record, by staffs of the Senate and House Subcommittee dealing with appropriations of the CIA. Michaels said the Chairman would be interested and that he was almost certain the Chairman would feel the proper course of action would be to ignore them.

Michaels also asked me to give him some background on the World Veteran's Federation.
